

Eye Massage Techniques

How to do – step by step guide

The Final Touch

The perfect finish after every RefectoCil service!

The massage with the RefectoCil Skin Protection Cream & Eye

Mask – cares for the skin intensively and ensures a wonderful

pampering effect for your customer. Ingredients like Vitamin E, Aloe

Vera and Almond Oil provide rich and intensive care.

Note: Offer your customer an eye massage as free service.

They'll be happy and will remember this!

**special
treatment**

The Benefits:

- Eliminates tension (pressure compensation)
- Stimulation of the visual organ
- Promotes circulation of blood
- Radiating and clear eyes
- Cleansing and alleviation of wrinkles, under eye bags and swelling
